Subject: Trash TMDL Development- Schedule a Meeting

Hi Ed and Anna,

I'm hoping you two can coordinate with your group and send over some potential dates for our group trash TMDL development meeting.

Unfortunately for us, Greg's detail ends on August 9th, so we're trying to rope him in for this meeting before that. If before August 9th doesn't work for you all, we can try and schedule for afterwards.

Anna, would you be able to host in Baltimore? Perhaps we can think about scheduling from 10 – 2.

If we can't schedule anything before August 9th, perhaps we can align our meeting with COG's AWRP trash workgroup quarterly meeting (to be scheduled for sometime in August). Since a bunch of us will already be attending the quarterly meeting, perhaps we can schedule our meeting after that around 1 p.m. if DOEE is willing to host.

Thank you for your help,

Jillian Adair
